

The **Vacumat Eco 600 G4 Remote** is a pressure- and temperature-controlled degasser that removes gases with extreme precision and up to 8 times more efficiency than conventional systems. Its large and continuous degassing capacity protects installations from damage, avoids unnecessary breakdowns, and extends system lifetime.

Vacumat Eco 600 G4 is equipped with a smart **Flextronic control unit**, the device operates extremely quietly and is delivered fully pre-assembled and ready to use. Installation and commissioning are quick and easy.

Flamconnect Remote - The Vacumat Eco G4 Remote includes 3 years of free Flamconnect Remote. This allows you to monitor device status, view real-time and historical telemetry (pressure, water level, etc.), receive alerts, adjust settings remotely, and reduce service visits.
