RECHARGEABLE HEADLAMP KL 251 AF FOR WORKSITES

Tuotekortti · 1177300010

Brennenstuhl KL 251 AF is a rechargeable headlamp for worksites. A 250 lm CREE LED, a beam of up to 100 metres and a 40-hour battery life suit dark sites, inspections and installation work.

The USB-C rechargeable battery removes the need for batteries, and a red rear light adds visibility.
