

# WORKLITE™ 48V 21W SENSOR LED WORK LIGHT

Chainable and impact-resistant LED site light 24 months Guaranteed! Made in Finland

Equipped with a motion sensor, the WorkLite™ saves up to 50% more energy than a standard WorkLite™. When there is no movement in the area, it dims itself to 10% power, thus consuming only 2.5 W of electricity. Like other models, it withstands shocks and vibrations on site. Long-lasting and mechanically highly durable LED as a light source enables cost-effective use even during long projects. WorkLite™ is easy to install and does not require electrician authorization. The WorkLite™ chainable is available in three voltages: 48 V and 110-230 V.

The stock color is red.

SKU: 60009001/S

## TECHNICAL ATTRIBUTES

<b>Voltage</b>	48V	<b>Connection cable length</b>	1,5m
