

## **BAU LED 2 GREEN 25M LED STRIP**

The green led strip is suitable, for example, for EXIT lighting. A 25m long tape is suitable for e.g. showing the exit route. The tape can be used together with the BAU BAT battery backup. BAU LED strips are coated with a frost-resistant flexible silicone coating.

1,5m connection cable is sold separately.

SKU: 6000841
