

The SMC 700 is a modular cabinet with 12 module slots, and you customise its contents for each site. Unused slots are closed with cover plates. The cabinet has lifting eyes, and its own stand is designed for moving with a forklift.

TEKNISET TIEDOT

Tuotekoodi	S19329	Dimensions (H x W x D)	1600 x 729 x 530 mm
Module places	12 paikkaa	Kiinnitys	Jalusta
Railing	630 A	Model	SMC 700
Short-circuit resistance	Icf = 25 kA	Ordering number	S19329
Enclosure class	IP44	Approvals	CE
Paino tyhjänä	57 kg
